The 2 in 1, Power Squeegee +
Ultra-Microfibre Mopping System.

Cut Dirt. Not Corners.

The 2 in 1 Ultra-Microfibre System delivers an unbeatable clean. Providing up to 80x more surface pressure, BLADE delivers powerful performance to maintain deep cleaned floors effortlessly.

BLADE KEY FEATURES

-  **Fresh Solution** (With Every Spray)
-  **Up to 80x More Surface Pressure**
(Compared To Other Flat mops)
-  **Precision Edge & Grout Cleaning**
-  **Up To 4x More Coverage**
(Reversible Ultra-Microfibre)

2 IN 1
SYSTEM

FUNCTION 1

Power Squeegee

After scrubbing your floors with JET3, use BLADE's sharp, flexible rubber Power Squeegee to direct the dirty liquid into a floor drain, leaving floors instantly dry.

No Floor Drain?

Simply attach the absorbent Ultra-Microfibre (A-Fibre) to dry the floor. (Holds 500ml)

FUNCTION 2

Ultra-Microfibre Mopping System

Simply attach your choice of Ultra-Microfibre to the Power Squeegee, to transform BLADE into the ultimate mopping system.

Every Press = Fresh Solution
Every Reset = Fresh Ultra-Microfibre

ULTRA-MICROFIBRE

80x

MORE SURFACE PRESSURE

More Surface Pressure

The Power Squeegee's sharp edge exerts up to 80x more surface pressure onto the Ultra-Microfibre* resulting in more dirt removed with each clean.

Fully Interchangeable

Slide the Ultra-Microfibre into the channel to attach, slide down to remove.

Reversible

Reset the Power Squeegee on the Ultra-Microfibre to reveal a clean section. Once dirty, flip the Ultra-Microfibre for continued clean use.

NO NEED FOR BUCKETS

With its refillable handle and built in spray, BLADE sprays fresh, clean solution on-demand, activated by the push of button.

SPRAY

Built in, three way jets spray fresh solution evenly.

*Compared to conventional flat mops.
